

MOTHER
OF PEARL
BY DANZER
REAL WOOD.
WITH A TOUCH
OF MAGIC.

A shimmering play of light and texture, Danzer Mother of Pearl transforms surfaces with natural brilliance.

Crafted from real wood veneer enhanced with an iridescent finish, Danzer Mother of Pearl brings a fresh wow-effect to furniture, interiors, and accents. Industrially easy to process yet artistically expressive, it delivers distinctive highlights that make every project unforgettable.

Magical Aesthetics

A luminous, shimmering surface that changes with every glance, creating depth and a sense of wonder that elevates even the simplest design.

Distinctive Accents

Ideal for highlighting smaller surfaces, it adds a bold statement of elegance and sophistication, ensuring every detail leaves a lasting impression.

Industrial Ease

Designed for straightforward processing and specification, it brings artistic flair without complication – easy for manufacturers, inspiring for designers.

Reliable Quality

Produced with Danzer's trademark consistency and care, ensuring dependable performance and peace of mind from concept to completion.
