

SPECIALTY
AND EXOTIC
VENEERS BY
DANZER
RARE BEAUTY.
NATURALLY
DISTINCT.

A curated selection of the world's most remarkable woods, sourced with expertise, offered with integrity, and unmatched in character.

Danzer Exotic Species & Rarities celebrates the wonders of wood – dramatic grains, rich tones, and one-of-a-kind character. Each sheet is cut from responsibly sourced logs and selected for projects that demand natural exclusivity, certified integrity, and unmistakable beauty.

True Natural Luxury

Crafted entirely from real wood, each veneer reveals rare features shaped only by nature.

Certified & Responsible

All species are legally harvested and sourced from verified, sustainable forestry.

Tailored For High-End Use

Chosen for premium applications, from yachts to boutique interiors, where only the best will do.

Visually Distinct

Bold color, expressive figure, and unique grain patterns make every project unforgettable.

Reliable And Scalable

Delivered with the same Danzer quality assurance, technical support, and global supply reliability as our core ranges.
