

Danzer Code of Conduct

March 16th, 2018

This Code of Conduct is established to inform management, employees and associates of Danzer on how to work together to manufacture renewable products in a highly responsible and sustainable way: with special attention to the needs of workers, communities, and other stakeholders.

This Code of Conduct is an information tool for all employees of Danzer. As such, all employees are encouraged, even obliged, to give their feedback on the improvement of this system or report any deviations from it to their respective supervisor or Executive Board member or securely and confidentially through the Grievance Mechanism.

The Danzer Code of Conduct is divided into four sections:

1. Responsible Procurement
2. Rights of People
3. Corporate Governance
4. Environment, Health and Safety

The above order does not imply priorities. All four categories are of equal importance to Danzer.
